

Rose Window Memorial

The memorial is a brass/bronze plaque representing the rose window located at the rear of the sanctuary. There is still opportunity for the congregation and friends of the church to place names of deceased loved ones, or significant persons in your life, on the plaque. The memorial recognition may include individuals who were not members. Those persons making the memorial contribution will be recognized in the register at the rear of the sanctuary.

The three levels of placement are offered in open areas of the plaque, as shown below. Three levels of placement are available:

Level A - \$1500 Level B - \$3000 Level C - \$6000

Cheques should be made out to the **St Paul's Trustees**.
